Access Guide – Students in Grades K–5

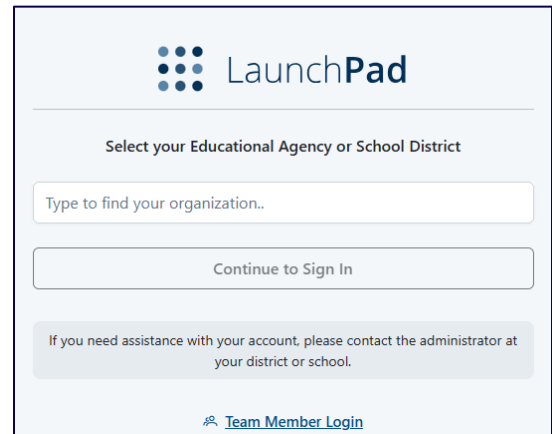

This guide provides step-by-step instructions for students in Kindergarten through Grade 5.

Step #1

Go to Pearson's LaunchPad single sign-on site at: launchpad.pearson.com.

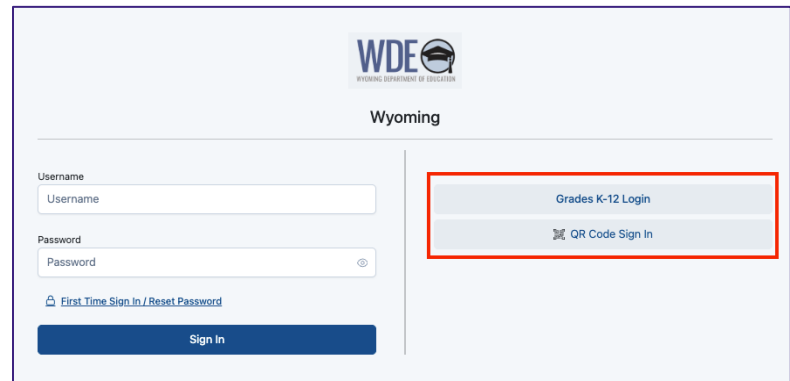

Begin typing **Wyoming** in the text box. Do not enter your district or school name.

Note: If you have previously visited this login page, this step may not be necessary because the selection will be saved.

The screenshot shows the LaunchPad login interface. At the top is the LaunchPad logo. Below it is a heading "Select your Educational Agency or School District". There is a text input field with the placeholder "Type to find your organization..". Below the input field is a button labeled "Continue to Sign In". At the bottom, there is a link for "Team Member Login" with a small icon.

Step #2

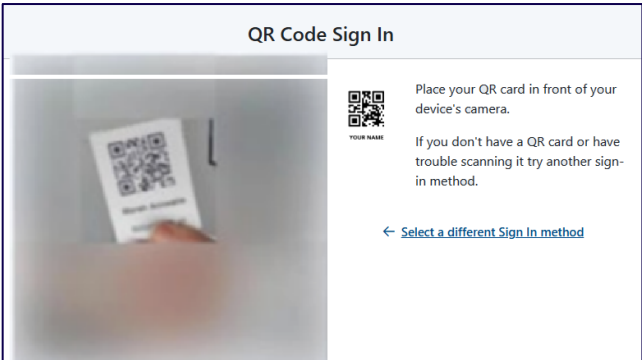

Select 'QR Code Sign In' to sign in with a QR code, or 'Grades K-12 Login' to sign in with credentials on the right.

The screenshot shows the Wyoming Department of Education login page. At the top is the WDE logo. Below it is the heading "Wyoming". There are two main sections. On the left, there is a "Username" field and a "Password" field, both with placeholder text. Below these fields is a link for "First Time Sign In / Reset Password". At the bottom of this section is a "Sign In" button. On the right, there is a red-bordered box containing two options: "Grades K-12 Login" and "QR Code Sign In".

Step #3

QR Code login: Hold up your printed QR code to your device camera. Upon detecting the QR code, you will be logged into LaunchPad.

Credentials login: Select/enter your unique login credentials, as shown here.

QR Code Sign In

Place your QR card in front of your device's camera.

If you don't have a QR card or have trouble scanning it try another sign-in method.
