

Navy+ Generating QR Codes

For Coordinators & Teachers

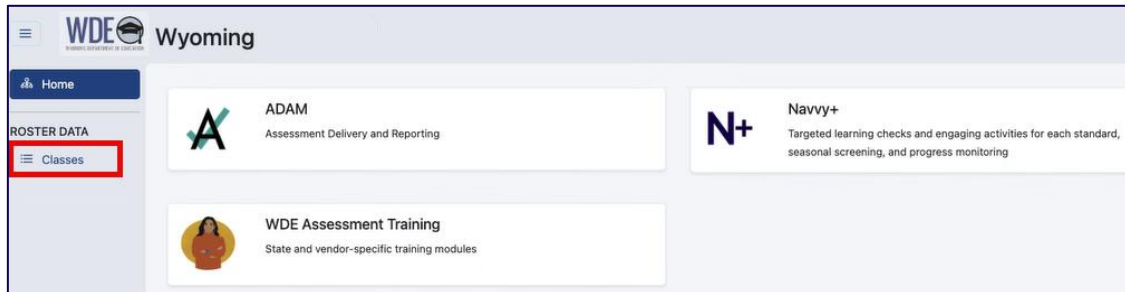

District and School Coordinators

Step #1

Login into LaunchPad. In the left navigation panel, under Roster Data, select **Classes**.

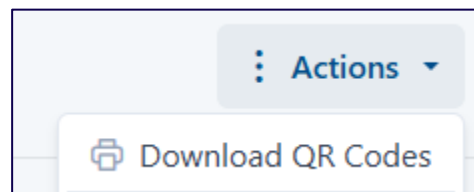

Step #2

Find the relevant class in the list and click that row to open the class record.

Step #3

Select “Actions” in the upper right corner, and then select “Download QR Codes.” A file will be downloaded that includes QR codes for each student in the selected class.

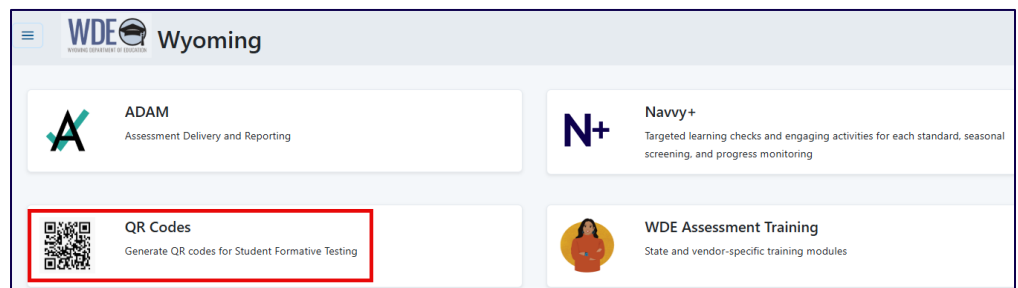

Note: This feature is only available for grades K-5.

Teachers

Step #1

Login into LaunchPad. Click the QR code icon. The teacher's rostered class(es) will appear.

Step #2

Click the QR code icon associated with the desired class roster. This will generate a file download that includes QR codes for all students in the class.

Note: This feature is only available for grades K-5.
